4th September 2025

Bikeability Training Course.

Dear Parents,

Children in Year 4,5 and 6 have the opportunity to take part in Bikeability training.

The Bikeability training course will take place in school on 26th and 27th November 2025.

To take part children must have a road worthy bike, be able to ride a bike unaided and have their own helmet. Some of the training will take place in the school playground and some will be on public roads (Bowland Road). All the training will be delivered by qualified instructors from Derbyshire County Council.

Please complete the consent form by 19th September and return to school. We will not be able to accept children after this date because places will be allocated by DCC.

I hope you and your child take advantage of this excellent opportunity. Cycling is a great way to keep fit and learning road safety is an essential life skill.

Yours sincerely

Lynn Elliott
Headteacher
