

Class 4 Spring 2

Geography: This term we will be looking at would you like to live in a desert? as our class topic. We will be exploring this biome looking at the different features that belong to a desert as well as where they are located around the world. We will also be looking at how people can use deserts and what are the possible threats to them.

English: We will be looking at some poetry using the anthology 'Poems To Live Your Life By' from Chris Riddell. We will learn about poetic techniques and learn to use the possessive apostrophe and conjunctions for time, place and cause. Linking into our topic we will also be looking at instructions and explanations using a piece of non-fiction text 'The Earth Book' looking at some of the world's different biomes. Through this we will be looking at how to use parenthesis and create cohesion between paragraphs.

Maths: We be looking at fractions, finding fractions of amounts, adding and subtracting fractions and converting fractions with and without the same denominator. We will also be looking at equivalent fractions as well as mixed number and improper fractions. We will also start to explore decimals and percentages as the term progresses.

PSHCE: We will be looking at Healthy Me we will be looking at making healthy choices, keeping ourselves healthy as well as being a good friend and enjoying healthy friendships.

Science: Year 4 will be looking at sound and vibration. Looking at vibrations, soundwaves, volume, volume and distance, pitch and sound insulation. Year 5 will be looking at material and their properties and changes.

Music: Year 4 will be looking at 'Feel the Sound' exploring the different feelings that music can evoke in an individual. Year 5 will be continuing with learning to play the violins and violas.

PE: On Mondays Year 5 will be swimming and Year 4 will be looking at fitness. On Thursdays Class 4 will be doing dance.

French: Class 4 will be looking at the weather in French as well as the water cycle.

Computing: Computing (A) Coding

Art: We will be looking at drawing this term looking at depth, emotion and movement. We will look to express movement as well as show emotion through line and showing depth through mark making.

RE: Class 4 will be looking at Good Friday and the Holy Week the final week of Jesus' life. We will be exploring the different significant days over this week starting with Palm Sunday progressing towards Easter Sunday.
