FODS Fundraising So Far...

We're delighted to share that, by the end of Spring Term 4, FODS fundraising has reached an impressive £3,320 for the year so far.

Thank you to everyone who has supported our events and initiatives – your contributions make a real difference to our school community.

We will provide a full update on the total amount raised at the end of the academic year.

Sponsored Bubble Walk

A huge thank you to our fantastic school community for supporting the Sponsored Bubble Walk! Whether you contributed through sponsorship, donated cakes, or came along to take part, your support helped make the event such a success.

We will share the total amount raised in next term's newsletter alongside pictures of the event.

Clothes4Sammy Collection – Friday 26th June

We are pleased to be running another Clothes4Sammy collection in June.

Your child should have brought home a collection bag—please consider saving and storing any unwanted items ahead of time, as every donation helps support our school. Items can be brought into school in the Sammy bags provided or in standard bin bags.

What your donations achieve:

- FODS receives 45p per kg (25p per kg if under 200kg is collected)
- Leukaemia & Myeloma Research UK receives 35p per kg

Items we can accept:

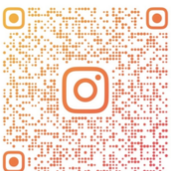

- Good-quality clothing
- Handbags and accessories
- Clean, paired shoes
- Toys in working condition
- Costume jewellery

The more we collect, the more we raise—so please donate what you can!
