Welcome back to a new year and a new term. We hope you all had a wonderful Christmas and managed to find some time to relax and unwind amidst the festive chaos.

Winter Weather

We are in the time of year when the weather forecasts are predicting seasonal cold weather. We will always strive to keep school open. If it is necessary to close school due to health and safety concerns, especially if we do not have sufficient staff on site, then you will be informed via Parent Pay email. The school website will also be updated accordingly. If there is significant overnight snowfall, a late start to the day may be implemented to allow for safe travel. All decisions will be made by 7.15am to prevent any unnecessary journeys into Breakfast Club. **PLEASE** ensure we have updated email addresses and phone numbers to ensure you receive all notifications. Thankyou. It is better to be prepared to avoid any confusion in the event of an emergency.

150th Anniversary

This year, our school celebrates its 150th birthday! We are planning a series of celebrations that will involve all our pupils, both present and past as well as the wider community.

The main celebrations will take place during the week beginning 20th May and will culminate in a special church service on the morning of Friday 24th May, followed by a family picnic at lunchtime on the school field. Exact times are yet to be finalised but please put the date in your diary and share the news with anyone connected with our school. Everyone is welcome to celebrate this amazing milestone.
