Class Assemblies

We would like to invite family and friends into school to find out what the children have been learning in school. The assemblies will take place at 9.00am and visitors are asked to come to the main reception and wait to be allowed in once all the children are in their classrooms. The session will last approximately 30 minutes and afterwards there will be a short opportunity to go into your child's class and discover more about their school day. Please exit the classroom when the teacher is ready to start the day's lessons, thank you.

We look forward to welcoming lots of you to these assemblies and the children look forward to sharing their learning with you.

100 Years Of Saving The Planet

Thank you for all your creativity and the effort you and your child have made today. We have had a wonderful day in school thinking about Sir David Attenborough and his life spent helping to raise awareness of our environment.

Here are a few photos. We will be putting up a display in the entrance hall, please have a look next time you are in school.
