Class Assemblies

We would like to invite family and friends into school to find out what the children have been learning in school. The assemblies will take place at 9.00am and visitors are asked to come to the main reception and wait to be allowed in once all the children are in their classrooms. The session will last approximately 30 minutes and afterwards there will be a short opportunity to go into your child's class and discover more about their school day. Please exit the classroom when the teacher is ready to start the day's lessons, thank you.

We look forward to welcoming lots of you to these assemblies and the children look forward to sharing their learning with you.

Cross Country

Well done to all the children who took part in the cross country event at Glossopdale High School. Everyone gave 100% and enjoyed the afternoon. A particular mention to our Year 3-4 boys who won their age category and will go forward to the High Peak event later in the year.

Boys Football

Well done to our boys' football team. Last night they finished top of their group at the Glossop cluster tournament. They should all be very proud of their achievement and behaviour throughout the tournament.
